

# Creating Your Own Work

**A one-day workshop led by Tasha Colbert SRDMP and Céline Butté SRDMP of Kidikwa Creative Arts. This is an opportunity to develop the skills, knowledge and confidence to create, raise funds for and deliver your own projects.**

Drawing on seven years' experience of running a successful organisation delivering creative projects to children and adults, we will be looking at:

- Visioning a project
- Setting up a voluntary organisation
- Researching national and local target groups
- Applying for funding
- Recruiting volunteers
- Marketing and publicity
- Delivering the project
- Utilising your DMP skills

This will be an enjoyable, experiential and practical day, where we will explore ways of using DMP skills to design and deliver exciting and creative projects.
